Applying for Swavlamban Card

During the data collection, we identified that many of the people were physically challenged in Padamthur Village. In order to help them to avail various central government welfare schemes, we collected the data from physically challenged villagers on 15.02.19 and registered their data in www.swavlambancard.gov.in on 21.02.19. This will help them to get unique national id.
